TESTIMONIAL

"Our family is lucky enough to receive assistance to send our child to the Copley-Price Family YMCA Preschool. Both my husband and I work full time, so childcare is a necessity. Oliver started at Copley-Price when he was 10 months old and is now in the 3-year-old classroom! We have seen such growth in his social emotional skills, his educational skills and his motor skills. His teachers are fantastic. They are encouraging, nurturing and give him a safe space to be every day. I can't thank them enough for all they have done for our family. Because of them, our child is thriving, happy and safe. Thank you!"

STORY OF IMPACT

"Thank you for offering the LiveStrong program. On top of everything that the YMCA offers, it was such an amazing experience to gather with other cancer survivors to learn about exercise and the wonderful classes offered at the YMCA. I've never been a gym rat or particularly comfortable going to a gym, but this program completely eliminated my discomfort and increased my enjoyment of exercise.

Connecting with other cancer patients in different stages of their journey was a huge reward in itself, and I've made some great connections with other Thrivers. Thank you.

I have a new found interest in physical activities, exercise and going to the gym, all thanks to the LiveStrong program and the YMCA. So much so, that I am now bringing my kids in to exercise and participate in classes."
