TESTIMONIAL

"Two years ago, my husband passed away suddenly, and both kids were very lost, and they started to attend YMCA overnight camps. This experience has made such a great impact on their life. The staff, the management, and the counselors have all been amazing, and have taken care of the children as if they were their own. I now recommend YMCA Overnight Camps to every parent I come in contact with who wants their children to have a positive experience to learn and grow emotionally, mentally and physically into healthy adults."
